

## Remarks

This preliminary amendment to the drawings removes an extra number and leadline in FIG. 6 and replaces the informal drawings as originally filed in the application with five sheets of replacement formal drawings.

Applicant herewith submits five sheets of replacement drawings. The replacement drawings are formal drawings, containing six figures with correct line quality and legible text.

FIG. 6 on sheet 5/5 of the originally filed drawings has been amended to remove an extra number 120 and leadline as indicated in the annotated sheet of drawings.

It is submitted that this amendment is proper, does not introduce new matter, and facilitates prosecution of the application. Entry of the amendment is respectfully requested. The Applicant's attorney apologizes for any inconvenience this error may have caused.

The Examiner is invited to contact the below signed attorney should any questions arise concerning this preliminary amendment.

Respectfully submitted,
